WHOLE SPICES

PANCHFORAN

"Raashttr Masala" Panch Phoron: Our unique blend of five whole spices - fenugreek seeds, nigella seeds, cumin seeds, black mustard seeds, and fennel seeds - creates a symphony of flavors in every dish. Perfect for tempering vegetables, lentils, and pickles, "Panch Phoron" adds depth and complexity to Bengali and Eastern Indian cuisine. Packed with vitamins, minerals, and antioxidants, it not only enhances taste but also offers health benefits. Explore the culinary heritage of India with "Raashttr Masala" Panch Phoron.

AJWAIN

"Raashtr Masala" Whole Ajwain Seeds: Our premium whole ajwain seeds are carefully selected to ensure maximum flavor and freshness. Known for their strong, aromatic taste with a hint of bitterness, these seeds are a staple in Indian cooking. Ideal for tempering or adding to breads, snacks, and pickles, whole ajwain seeds impart a unique and flavorful twist to any dish. Elevate your culinary creations with the authentic taste of "Raashtr Masala" Whole Ajwain Seeds.

SAUNF

"Raashtr Masala" Whole Saunf (Fennel Seeds): Harvested from the finest fennel plants, our whole saunf is prized for its aromatic and slightly sweet flavor. A versatile spice, it adds depth to both savory and sweet dishes, including curries, desserts, and teas. As a natural breath freshener, saunf promotes digestion and offers relief from bloating and indigestion. Experience the pure essence of fennel with "Raashtr Masala" Whole Saunf.

METHI

"Raashtr Masala" Whole Methi (Fenugreek Seeds): Our whole methi seeds are sourced from premium fenugreek plants, known for their strong, slightly bitter taste and aromatic fragrance. Commonly used in Indian cuisine, these seeds add depth and flavor to curries, pickles, and bread. Rich in fiber, vitamins, and minerals, methi seeds offer various health benefits, including improved digestion and blood sugar control. Elevate your dishes with the authentic taste of "Raashtr Masala" Whole Methi.

BLACK PEPPER

"Raashtr Masala" Whole Black Pepper: Our premium whole black pepper is carefully selected for its bold flavor and intense aroma. A staple in kitchens around the world, these peppercorns add a spicy kick to dishes like soups, stews, and marinades. Packed with antioxidants and known for their digestive properties, black peppercorns from "Raashtr Masala" are a must-have for any culinary enthusiast.

KALONJI

"Raashtr Masala" Whole Kalonji (Nigella Seeds): Harvested from the highest quality nigella plants, our whole kalonji seeds are prized for their unique flavor and aroma. Commonly used in Indian and Middle Eastern cuisines, these seeds add a distinctive taste to curries, bread, and pickles. With their rich history in traditional medicine, Elevate your dishes with the authentic taste of "Raashtr Masala" Whole Kalonji.

JEEERA

"Raashtr Masala" Whole Jeera (Cumin Seeds): Sourced from the finest cumin plants, our whole jeera seeds are bursting with aromatic flavor and essential oils. A staple in Indian and global cuisines, these seeds add depth and richness to curries, rice dishes, and roasted vegetables. Toast them to release their full flavor or use them whole for a crunchy texture. With their digestive benefits and rich nutritional profile, "Raashtr Masala" Whole Jeera is a must-have for every kitchen.
